

## Hi Everyone!

Here is some information about this year's masquerade.

Rules for the coticon's masquerade are very similar to those of Quinte Mini Con's and follows ICG guidelines. See our website at:

Please read them if you consider competing. Copies of the official Coticon masquerade rules will be available during registration. (English only)

All the information about greenroom time, and other info related to your registration will be given at the masquerade table. Masquerade director will be there at 10:30 am until 12:30pm. The masquerade director speaks both English and French. If you struggle with English, he will help you, all the masquerade staff is also bilingual.

If you want to bring your own sound for your presentation, please bring it in an USB key or a CD.

There will be no stage ninjas, same as last year.

As well as the regular masquerade, Coticon is proud to bring back the Skit division for people who didn't make their costume, but want to go on stage for fun to present their costumes. Awards can be given in the skit division for presentation.

Costumes that have won awards in other masquerades prior to Coticon can't compete. Period. You can however wear them in the Out-of-competition division.

Though, costumes that have won honorable mentions in other masquerades can compete.

If you have any questions before the convention, e-mail your question to the Masquerade Director at [sebastien4221@hotmail.com](mailto:sebastien4221@hotmail.com)
